SECTION B: Event report and reflection

- **Event objectives:** The six-day event included an online workshop aimed at enhancing participants' Photoshop skills and a highly anticipated offline photo manipulation competition.
- **Event description:** The event saw a remarkable turnout of individuals eager to learn and showcase their creative talents. GDSC, SIT Nagpur, meticulously planned, and executed the workshop and competition, providing participants with a well-rounded experience.

1. Online Workshop:

The core of the event was the five-day online workshop, held from 14th August to 18th August. The workshop delved into various aspects of Adobe Photoshop, catering to beginners and those seeking to refine their design skills. Participants were treated to engaging sessions led by experienced Photoshop expert, Deepankar Dhawale.

2. In-depth Learning:

The workshop covered a range of topics, including fundamental tools, advanced techniques, photo editing, and graphic design principles. Participants were encouraged to apply what they learned through practical exercises, ensuring a comprehensive understanding of the software's capabilities.

3. Offline Photo Manipulation Competition:

Adding an exciting twist to the event, a photo manipulation competition was held offline at [Event Location]. The competition provided shortlisted participants, selected by the esteemed speaker Deepankar Dhawale, with an opportunity to showcase their Photoshop skills. This segment fostered healthy competition and encouraged participants to think creatively.

4. Speaker Interaction:

Deepankar Dhawale's presence and guidance were invaluable to the event's success.
