# ABOUT THE UNIVERSITY

Symbiosis International (Deemed University), established in 1971 by Prof. Dr. S. B. Mujumdar, is a multi-disciplinary institution dedicated to "Promoting International Understanding through Quality Education." With students from 85+ countries, the university provides a global learning environment rooted in the philosophy of "Vasudhaiva Kutumbakam" (The World is One Family). Symbiosis continues to empower students with world-class education, fostering knowledge, innovation, and global collaboration.

## University Vision

Promoting International understanding through quality education.

## University Mission

- To inculcate spirit of 'Vasudhaiva Kutumbakam' (The World is One Family)
- To contribute towards knowledge generation and dissemination
- To promote ethical and value-based learning
- To foster the spirit of national development
- To inculcate cross cultural sensitisation
- To develop global competencies amongst students
- To nurture creativity and encourage entrepreneurship
- To enhance employability and contribute to human resource development
- To promote health and wellness amongst students, staff & community
- To instill sensitivity amongst the youth towards the community and environment
- To produce thought provoking leaders for the society

## About SIT

Symbiosis Institute of Technology (SIT), Nagpur, a constituent of the Symbiosis International (Deemed University), Pune. The Institute is nurtured by the visionary leadership of Dr. S. B. Mujumdar, Chancellor of Symbiosis International (Deemed University), Pune, and is founded on the timeless Vedic philosophy of "Vasudhaiva Kutumbakam"—The World is One Family. SIT Nagpur is located in the city Nagpur (Orange City and Tiger Capital of India).

## Programme Offerings

### B. Tech. (Computer Science and Engineering)

- ↳ B. Tech. (Computer Science and Engineering) with Honours
- ↳ Dual Degree (2+2): Bachelor of Technology (Computer Science and Engineering) from SIT, Nagpur + Bachelor of Data Science (Hons.)/Bachelor of Cyber Security (Hons.) from Deakin University, Australia
- ↳ B. Tech. (Computer Science and Engineering) + MS programme with Iowa State University, USA.

### 3 ways to take admission in 1<sup>st</sup> year B. Tech. at SIT Nagpur

**Symbiosis Institute of Technology Engineering Entrance Examination (SITEEE)**  
- 40% of Sanctioned Intake: **120 Seats**

**Joint Entrance Examination (JEE) – Mains**  
- 40% of Sanctioned Intake: **120 Seats**

**Any State Government Engineering Entrance Examination (ASGEEE)**  
- 20% of Sanctioned Intake: **60 Seats**

\*All admissions are done on basis of merits only

\*Hostel accommodation is mandatory for all first-year students, except those admitted under the Nagpur

Domiciled Category / Resident of Nagpur City

## OUR PROGRAMMES

The B.Tech. in Computer Science and Engineering at Symbiosis Institute of Technology (SIT), Nagpur is a future-ready, industry-aligned programme designed to nurture technically competent, innovative, and socially responsible engineering professionals. The curriculum is structured under the framework of NEP 2020, offering strong foundational courses along with advanced electives and honours/specialisations in cutting-edge domains such as Artificial Intelligence & Machine Learning, Data Science & Analytics, Cyber Security, Artificial Intelligence of Things (AIoT), and Cloud Computing.

### B. Tech. (Computer Science and Engineering)

#### Dual Degree Programme with Deakin University, Australia

SIT Nagpur offers a Dual Degree Programme in collaboration with Deakin University, Australia, providing students with an exceptional global academic exposure.

This programme offers:

- 2 years B. Tech. (Computer Science and Engineering) from SIT, Nagpur + 2 years from Deakin University, Australia
- B. Tech. (Computer Science and Engineering) from SIT, Nagpur, along with a Bachelor of Data Science (Hons.)/ Bachelor of Cyber Security (Hons.) from Deakin University, Australia
- Advantage of a potential two-year post-study work visa in Australia (subject to changes in government policy), enhancing their prospects for international careers.

#### Pathway Programme at SIT Nagpur

The Pathway Programme to Master's with Iowa State University (ISU), USA provides SIT Nagpur students a valuable international academic progression route into one of the top research universities in the United States.

In this programme:

- Students will study till 7<sup>th</sup> semester at SIT Nagpur, after 7<sup>th</sup> semester they will move to IOWA State University, USA for 8<sup>th</sup> semester onwards for MS degree
- B. Tech. (Computer Science and Engineering) from SIT, Nagpur + M.S. (ISU, USA)
- Enables students to achieve B. Tech. and MS in 5-year
- Access to world-class research, assistantships, and 3-year STEM OPT opportunities

#### Global Immersion Programme (GIP)

The Global Immersion Programme is designed to provide students with meaningful international exposure, helping them develop a global outlook and cross-cultural competencies essential for today's interconnected world.

#### B. Tech. + Special Diploma in Management
