SYMBIOSIS
INSTITUTE OF TECHNOLOGY, NAGPUR

SRC
Student Representative Council
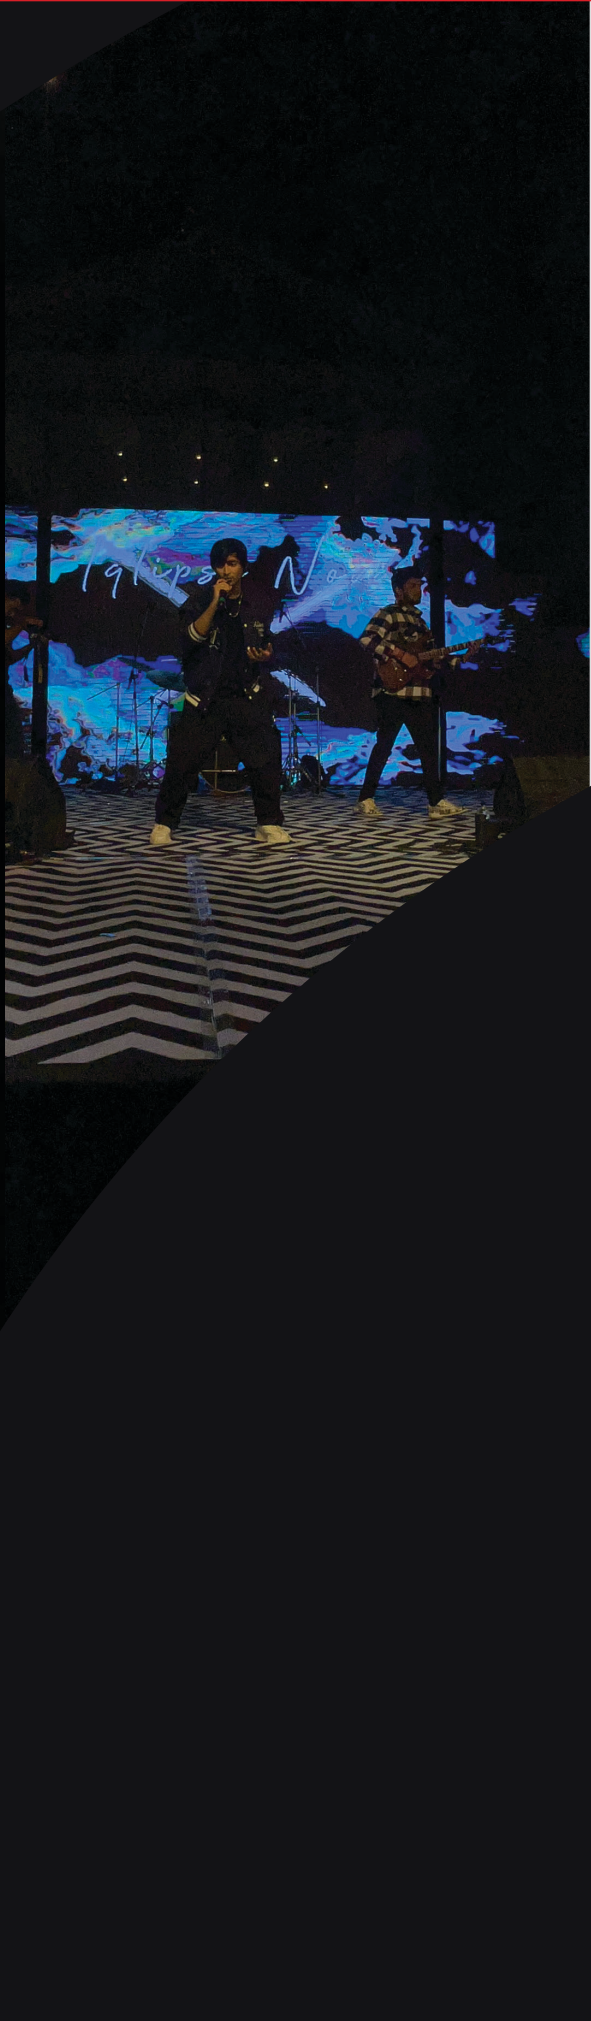

2023 - 24

From the
Director

It is with great pleasure that I welcome you to Symbiosis Institute of Technology (SIT), Nagpur, an institution committed to excellence in education and innovation.

Established in 2021, SIT Nagpur inherits a legacy of quality education and a dynamic learning environment from Symbiosis International University, Pune. At SIT Nagpur, we believe in nurturing talent and providing a platform for students to excel in their chosen fields.

Our curriculum is designed to not only impart technical knowledge but also to foster creativity, critical thinking, and problem-solving skills. As you embark on this exciting journey with us, remember that you are part of a global family.

- Dr. Nitin Rakesh

From the
SRC In-charge

As the teacher in-charge of the Students' Representative Council (SRC) at Symbiosis Institute of Technology, Nagpur, I am privileged to work alongside a dedicated group of student leaders who are committed to serving their peers and enhancing the student experience on campus. The SRC plays a vital role in promoting student welfare, fostering a sense of community, and advocating for the interests of the student body. It serves as a platform for student voice and representation, ensuring that students have a say in matters that affect their academic and non-academic lives. I am continually impressed by the passion, creativity, and initiative demonstrated by our SRC members as they work tirelessly to organize events, initiatives, and campaigns that contribute to the overall growth and development of our institute. They embody the values of leadership, teamwork, and service, and I am proud to support them in their endeavors.
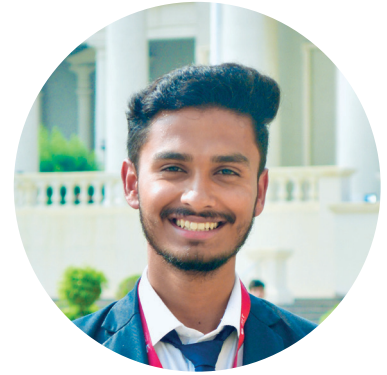

As the teacher in-charge, my role is to provide guidance, mentorship, and support to the SRC members, helping them navigate challenges, develop their leadership skills, and achieve their goals. I am committed to fostering a collaborative and inclusive environment where every member feels empowered to contribute their ideas and make a positive impact. Together, we strive to uphold the values of integrity, transparency, and accountability in all our activities and operations, ensuring that the SRC remains a trusted and effective representative body for the student community.

I am honored to be part of the SRC team and look forward to continuing our work together to create a vibrant and enriching campus experience for all students at Symbiosis Institute of Technology, Nagpur.

Warm regards,

- Dr. Pradnya Borkar

From the
President

As I write this note, I am filled with pride and nostalgia, reflecting on our journey together at the Symbiosis Institute of Technology Nagpur. My three years here—two as Vice President and one as President of the Student Representative Council (SRC)—have been transformative. When I first joined SIT Nagpur, I was just another student, filled with dreams and aspirations. Stepping into the role of Vice President was a significant leap, fueled by a desire to make a meaningful impact. Transitioning to President brought with it a profound sense of responsibility.

To the incoming batch, welcome to SIT Nagpur. Embrace every opportunity, cherish the bonds you form, and never underestimate the power of your dreams. SIT Nagpur is not just an institution; it is a community where dreams take flight and lifelong memories are created. Remember, if I could go from being a regular student to holding this prestigious post, so can you. All it takes is determination, hard work, and a willingness to step up.

As you begin this new chapter, get involved, take on challenges, and be an active part of our vibrant community. The spirit of unity, collaboration, and mutual respect defines us and sets us apart.

Here's to the legacy we continue to build together. Let us cherish these moments and look forward to many more milestones. Welcome to a year of new beginnings, exciting opportunities, and unforgettable experiences.

- Rishikesh Kumbhalkar

From the
Vice President

Looking back on my journey as the Vice – President in Student Representative Council (SRC) at Symbiosis Institute of Technology, Nagpur, I find inspiration in a profound line from Batman: The Dark Knight Rises "A hero can be anyone, even a man doing something as simple and reassuring as putting a coat around a young boy's shoulders to let him know that the world hadn't ended." This reminder of the impact of small acts of kindness and courage has guided me through my time here.

Each of us carries the power to shape our futures through our choices and actions. Whether in the classroom, through extracurricular activities, or in the friendships formed, every moment is an opportunity to grow and contribute to our vibrant community.

Reflecting on Batman has more to add in my life, "It's not who I am underneath, but what I do that defines me." This institute has taught me that our actions, big or small, define our legacy. Be courageous in pursuing your passions and compassionate in your interactions with others. Together, we've created a legacy of excellence and camaraderie that defines our institute. To the new batch, I encourage you to explore, innovate, and above all, believe in your potential to achieve greatness. The journey ahead will undoubtedly have its challenges, but with determination and resilience, there's no limit to what we can accomplish together.

"The future belongs to those who believe in the beauty of their dreams. -Eleanor Roosevelt"
Here's to another year filled with unforgettable experiences and meaningful achievements.

Warm regards,

- Chintamani Manisha Namdeo Chaudhari

Meet the
SRC Team

Mr. Rishikesh Kumbhalkar
President

Mr. Chintamani Chaudhari
Vice President

Mr. Raj Lande
Organizing Secratary

Mr. Aryan Raut
Treasurer

Students' Representative Council

SRC, the student representative council, is a student body that represents the students, serves their voice and is responsible for acting as advocates and a bridge between students and authorities.

`1`

GDSC And SmartTech

Google Developer Student Clubs are university based community groups for students interested in Google developer technologies. SmartTech is passionate about IoT, AL and ML.

`5`

Cloud Crafters

CloudCrafters is passionate at exploring all facets of game creation and evolution and brings together like-minded individuals to collaborate, learn and share skills.

`13`

CONT

Cultural Club

The cultural club has always been excited to bring all of us together through their charismatic cultural activities in various art forms including dance, drama and music to name a few.

`25`

Sports Club

Sports club contributes to the college's spirit and identity. This is where students can push their physical and mental limits, leading to personal growth and self-discovery on an unprecedented level.

`29`

Arts Club

Arts club is responsible for making our events and campus glorious with their artwork - making us crafty pandas - and our lives are made quirky and interesting.

`33`

Cyber Guardian

CyberGuardian strives to encourage safe online practices, promote the importance of ethical hacking and inform students of current events in information security.

`16`

Branding Club

Branding club includes the mix of social media managers, content writers, videographers and other members that spend significant time working on social media, in newsroom for student's development.

`20`

Literary Club

Literary clubs often organizes creative workshops nurturing communication and expression skills. This successfully creates a sense of belonging and community among the like-minded individuals.

`22`

ENTS

Social Club

Social club aims to foster a sense of community and provide opportunities for personal growth and networking. The club also gives students a chance to socialise with communities at large.

`36`

Professional Bodies

The CSI, IEEE and ACM Chapter are committed to promote Computer Engineering and technology systems and provide seminars, lectures and networking opportunities.

`39`

Annual Fests

The full-day events, our very own technical and cultural fest - Enthusia 3.0 and our very exciting two day sports event - Sports' Spectra.

`45`

Students' Representative Council

Leadership Roles in SIT-Nagpur's Student Representative Council

President

The President of the College Students' Representative Council holds a crucial leadership role representing the student body. They typically oversee council activities, advocate for student interests, liaise with college administration, and ensure effective governance.

Vice President

The vice president of college student representative council typically serves as the deputy to the president and assists in various duties such as organizing events, managing communication with students, and sometimes overseeing specific projects or committees. They often step in for the president when necessary and play a crucial role in ensuring the smooth functioning of the council.

Organizing Secretary

The organizing secretary of a college student representative council is responsible for managing the logistics and operational aspects of the council's activities. This includes planning and coordinating meetings, events, and campaigns, ensuring proper communication among council members and with students, maintaining records, and managing schedules and agendas.

Treasurer

The treasurer of a college student representative council is entrusted with managing the financial affairs of the council. Their responsibilities typically include budgeting, financial planning, maintaining financial records, overseeing expenditures and income, preparing financial reports, and ensuring transparency and accountability in financial matters.

Objectives
of SRC

Advocacy and Representation

The SRC aims to be the voice of the student body, advocating for their rights, concerns, and welfare within the Symbiosis Institute of Technology, Nagpur (SITN) community. We strive to represent the diverse interests and opinions of students in all matters affecting their academic and non-academic experiences.

Promoting Student Welfare

The SRC is committed to promoting the welfare and well-being of all students at SITN. This includes providing support services, resources, and assistance to help students overcome any challenges they may face during their academic journey. We strive to create a supportive and inclusive environment where every student feels valued and respected.

Empowering Student Leadership

The SRC is dedicated to nurturing and empowering student leaders who will serve as catalysts for positive change within the SITN community and beyond. Through leadership development programs, training workshops, and mentorship opportunities, we aim to equip students with the skills, knowledge, and confidence to become effective leaders and agents of change.

Fostering Social Responsibility

The SRC is committed to fostering a sense of social responsibility and civic engagement among students. We encourage and support initiatives that promote community service, environmental sustainability, and ethical leadership. By instilling values of empathy, compassion, and integrity, we aim to inspire students to become responsible global citizens who contribute positively to society.

Objectives
of SRC

Facilitating Communication and Collaboration

We seek to facilitate effective communication and collaboration between students, faculty, administration, and other stakeholders within the SITN community. By fostering open dialogue and constructive engagemenwt, we aim to build strong relationships and partnerships that contribute to the overall growth and development of the institute.

Ensuring Transparency and Accountability

We are dedicated to ensuring transparency and accountability in all our activities and operations. We strive to uphold the highest standards of integrity, fairness, and ethical conduct in everything we do. We are committed to engaging with students in a transparent and inclusive manner, seeking feedback and input to continuously improve our services and initiatives.

Promoting Academic Excellence

We strive to promote academic excellence and innovation by supporting initiatives that enhance teaching and learning, promote research and scholarship, and provide opportunities for intellectual and professional growth. We encourage collaboration between students and faculty to create a stimulating learning environment that fosters creativity, critical thinking, and lifelong learning.

Enhancing Student Experience

Our primary goal is to enhance the overall student experience at SITN by organizing various events, activities, and initiatives that foster personal growth, academic excellence, and holistic development. We aim to create a vibrant campus culture that encourages student engagement and participation.

SRC

Clubs

Google Developer Student Club (GDSC)

Dr. Sagarkumar Badhiye

Faculty In-charge

Faculty In-charge
GDSC

About this club

GDSC is a global community of university students interested in Google developer technologies. It provides a platform for students to learn, grow, and build together. It also offers opportunities for peer-to-peer learning, mentorship, and networking. This club also benefits the students by providing access to resources and support from Google. If you're a student interested in technology, joining a GDSC is a great way to enhance your skills and connect with like-minded individuals.

Club Co-ordinator

Mr. Prathamesh Yadav
Co ordinator

Co-ordinator's Message

"Reflecting on the past year, I am immensely proud of our achievements at the Google Developers Student Club. We've hosted numerous workshops, hackathons, and collaborative projects that have significantly enhanced our skills and fostered innovation. As we move forward, let's continue to build on this foundation, pushing the boundaries of what's possible together."

Mission

We aim to bridge the gap between theoretical knowledge and practical application by providing hands-on experiences, mentorship, and access to Google's cutting-edge resources. We aim to help our students to learn, share and grow in technology.

Vision

We aspire to create a vibrant ecosystem where students are inspired to explore the limitless possibilities of technology, collaborate on impactful projects, and develop solutions that address real-world challenges.
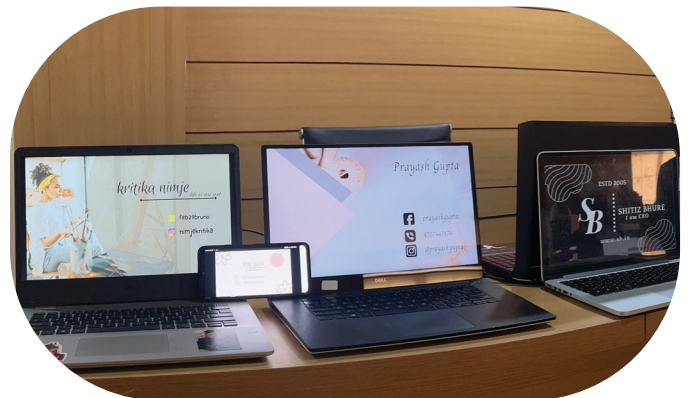

Events

All about GitHub

Held on 11th August, 2023, this event enabled our students, especially the freshers of batch 2023-27 understand about Github which is essential for devs, version control, code hosting and collaboration. We also taught our students to track changes and manage projects.

Graphic Guru

Held on 5th August, 2023 this event levelled up the students' designing skills. The students created captivating visuals, illustrations and branding. This event helped our students in unleashing their creativity and learn about how the field of designing works.
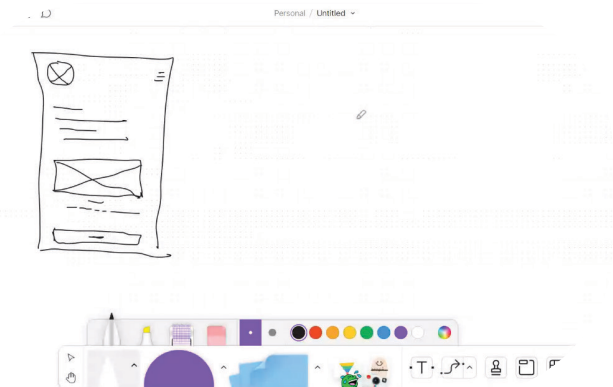

Events

Photoshop Unbound

Held from 14th to 18th August, 2023, this basics to advance 5-day course on photoshop helped our students to unleash their creativity. This event was perfect for designers, artists and photographers.

Pixel Perfect

Held from 21st to 25th August, 2023, this event elevated the students' UI/UX skills. The students were taught about - research under needs, sketch innovative ideas, design with flair, master wire framing and craft interactive prototypes.

Events

Hack-o-weeks throughout the Year

Held on 15th October 2023, 29th October 2023, 5th November 2023 and 4th March 2024, the hack-o-week sessions helped our students to get a taste of the world of ethical hacking and problem statement solving. The students took away key teachings by their seniors and faculty on the same.

SmartTech Club

Dr. Sudhanshu Maurya

Faculty In charge

Faculty In-charge
Cyber Guardian

About this club

Whether you're passionate about IoT, AI, or Machine Learning, the SmartTech Club welcomes everyone! It serves as a platform for students from all backgrounds to come together, share their technological insights, and foster a deeper understanding and appreciation of cutting-edge technologies. Participation in our tech activities helps students build confidence, enhance communication skills, and develop teamwork and leadership abilities.

Club Co-ordinators

Mr. Shaikh Tauhid
Co-ordinator

Mr. Divya Talole
Co-ordinator

Co-ordinator's Message

As the club coordinator, I'm thrilled to welcome you to our Technical Club. This isn't just a place to upgrade your skills—it's a community where we innovate, collaborate, and grow together. Our club is dedicated to exploring cutting-edge technologies, hosting insightful workshops, and tackling real-world challenges through hackathons and project-based learning. Whether you're passionate about coding, eager to dive into machine learning, or curious about cloud computing, there's something here for everyone.
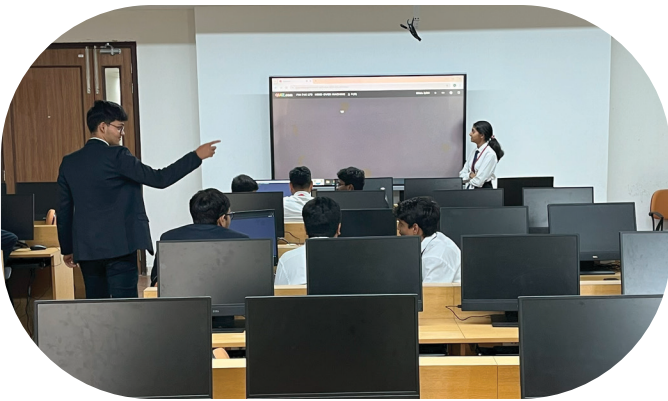

Mission

The SmartTech Club is dedicated to empowering students to explore and excel in the fields of IoT, AI, and Machine Learning. Our events are crafted to be both engaging and informative, providing hands-on experiences and cutting-edge insights.

Vision

We have successfully created an environment where students can freely explore their passion for technology, earning recognition and appreciation for their innovative efforts. We strive to help our members grow personally and intellectually.
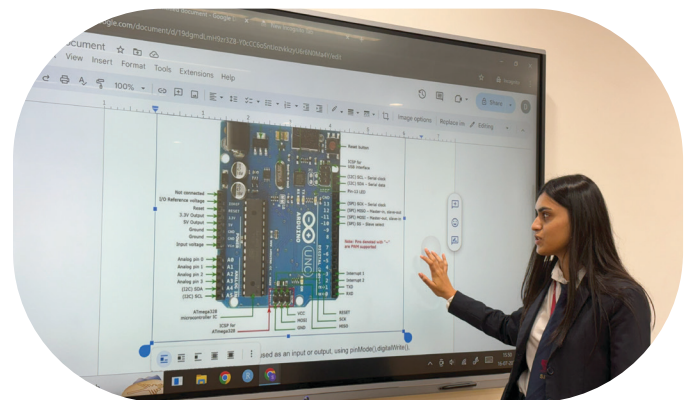

Events

Mind over Machines

Held on the 16th of July in the SIT Labs, this intellectually stimulating competition featured a series of challenging rounds. Teams of three members participated in a Quiz Round to test their knowledge on AIML, a Crossword Round to showcase their problem-solving skills and AIML terminology expertise, and a Rapid Fire Round to demonstrate their quick thinking and mastery of AIML concepts under pressure.

Tinker CAD

Held on the 16th of July in the SIT Labs, this dynamic competition was conducted on the Tinkercad platform. Teams of three members were given problem statements in each round, with the first to complete them advancing to the next stage. This event offered an exciting opportunity to explore IoT and showcase their skills.

Cloud Crafters Club

Prof. Monali Gulhane

Faculty In charge

Faculty In-charge
Cloud Crafters

About this club

We're a passionate community dedicated to exploring all facets of game creation and evolution. Whether you're a seasoned veteran or a wide-eyed newbie, our club offers a welcoming space to delve into! We, at CloudCrafters provide you a gateway to the ever-evolving world of gaming.

Club Co-ordinator

Mr. Tanmay Wargantiwar
Co-ordinator

Mr. Tanmay Wargantiwar

Co ordinator

Co-ordinator's Message

"I, as the coordinator, always look up for new minds and innovative ideas that will lead this club to better places. If you have interest in gaming, game development, graphic designing or anything related, I promise you this is the right place. Foster a collaborative environment where aspiring game developers can learn from each other. We also foster an environment for e-Sports for our budding gamers. We also provide workshops and resources for members to develop their skills in programming, art and design."

Mission

Our mission is to provide opportunities to game developers and students interested to start their journey in it. We foster a positive and inclusive space for the same.

Vision

The vision of the club is to be a hub for students who share a passion for game development and gaming. It aims to create a welcoming and inclusive environment where developers and gamers can connect and develop their skills.

Events

Peer-to-Peer Learning

Our peer-to-peer learning sessions seemed perfect for the members and students to learn, gain experience and interact in what they have an interest to grow in. We organised sessions for C++ and Blueprints for our members and students.

¨GameDoo¨ Workshop

We have organised workshops for our budding developers all round the session. We sharpened skills with interactive workshops led by industry enthusiasts and experienced club members.

Cyber Guardian Club

Dr. Sudhanshu Maurya

Faculty In charge

Faculty In-charge
Cyber Guardian

About this club

We are a student-run organisation dedicated to learn about and promote cybersecurity awareness. We provide hands-on experience through workshops to our members and students. We also organise hackathons and other competitive events to foster a community of like-minded individuals. By fostering a culture of continuous learning and ethical practice, we envision our members emerging as thought leaders and guardians of the digital realm, committed to securing cyberspace and protecting the integrity of information systems globally.

Club Co-ordinator

Mr. Lakshya Khanna
Co ordinator

Co-ordinator's Message

"Over the past year, Cyber Guardian has made remarkable strides through expert talks, hands-on workshops, and a successful awareness campaign. These efforts have significantly enhanced our cybersecurity skills and awareness. We tried achieving our goal to educate SIT-N students on cybersecurity through informative video skits also. Let's continue our commitment to excellence and stay vigilant in protecting the digital realm."

Mission

The mission of the Cyber Guardian club is to educate and empower students with the knowledge and skills necessary to protect and secure digital information. We aim to do so through workshops, hands-on training, and expert-led seminars.

Vision

Our vision is to become a premier centre for cybersecurity education and innovation within the academic landscape. We aspire to build a robust platform where students can collaborate on advanced cybersecurity projects and engage with industry leaders.

Events

Workshops

Workshops were offered to educate members on various cybersecurity topics and provide valuable hands-on experience. This helped the participants to gain practical knowledge and skills in specific cybersecurity areas. The members also raised awareness about cyber-security threats and best practices among the college community through interesting videos.

Peer-to-Peer Learning

Our peer-to-peer learning sessions seemed perfect for the members and students to learn, gain experience and inter-act in what they have an interest to grow in.

Events

CyCure

This was a 5 day event of seminars and guest lectures was organised to give our members information about hacking by industry experts. This immensely helped our students to gain insights from experienced professionals.

Branding Club

Faculty In charge

Faculty In-charge
Branding Club

About this club

The active student group, full of ideas and passion, serves as a social media ambassador, and diligently captures the spirit of the institution and of the students community to share them across social media. To do this, let us set out to explore the operations of this club, the dedicated people behind it, and how it benefits the institute as well as members. Its primary goal is to create a strong, consistent, and appealing brand image that resonates with students, faculty, alumni, and the wider community.

Club Co–ordinators

Ms. Ankita Sorte
Co-ordinator

"The Branding Club isn't just about logos and slogans; it's about breathing life into ideas and shaping the world around us. Here, you'll join a community of passionate individuals who, like you, are captivated by the magic of content and the impact a well-crafted brand can have. Join us, and let's build a world where brands become stories."

Mission

To identify and nurture talented individuals with a passion for branding, content writing, photography and event management. We seek individuals who go beyond the ordinary, bringing fresh ideas and boundless energy to grow beyond academics.

Vision

To establish Symbiosis Institute of Technology, Nagpur, as a leader in student-driven branding, recognised for its vibrant online presence, impactful storytelling, and exceptional event experiences. We aim to create a strong and appealing brand image for SIT-N.

Events

Raas Garba Workshop

The week-long Rass Garba Workshop organised by the Cultural Club coordinator and members right before Navratri 2023 served as a platform for our students to immerse themselves in vibrant rhythms, joyous movements and the festive spirit and promoted cultural exchange through dance.

Teachers' Day Celebration

The teacher's day celebrations on 5th September, 2023 was organised by the Cultural Club members along with support from the Arts and the Branding Club. It served as a platform to honour and appreciate our esteemed teachers for their unwavering dedication and guidance. The day was an opportunity for us to express our heartfelt gratitude and unwavering respect towards our amazing professors.

Events

Performances in SIU Events

The campus events of Symbiosis International University Nagpur (SIU-N) were also not left untouched by our dedicated and passionate cultural club. Ganesh Chaturthi Cclebrations, Navratri Garba, Independence and Republic Day celebrations - all had participation and performances by the cultural club members and students - all in dance, drama and music.

Faculty In-charge
Social Club

About this club

The social club is a student organisation dedicated at providing opportunities for students to connect, socialise, and explore shared interests outside of academics. Here, we lead cleanliness initiatives in local areas, aiming to improve environmental hygiene through clean-up campaigns and awareness programs. This dual approach fosters community engagement, enhances living conditions, and empowers individuals through education and practical action.

Club Co-ordinators

Ms. Siddhi Shyam Matey
Co-ordinator

"Reflecting on my tenure as the head coordinator of a social club over the past two years, I couldn't bear to see the pain in the eyes of the needy. From organising events that fostered inclusivity and engagement to navigating challenges with resilience and creativity, we have witnessed strategic planning, team leadership, and community outreach."

Mission

Our mission is to empower our community through education, advocacy, and practical initiatives. We aim to raise awareness about the importance of maintaining clean environment and practicing good hygiene habits.

Vision

Through education, collaboration with local authorities, and active participation we aim to inspire a collective effort that ensures a sustainable and hygienic environment and better society for present and future generations.

If you're driven to influence the future of technology and research while fostering a welcoming community, we welcome you to join us."

Mission

Our mission is to facilitate the exchange of ideas and promote continuous learning through various initiatives and platforms as well as to support career development through events, workshops and networking opportunities for our students.

Vision

Our vision is to build a diverse and inclusive community which nurtures and develop leaders who will shape the future of technology and research as well as influence policy, industry standards and academic curriculum.

Events

Tech Treasure Trove

Held on 18th March, 2024, this five-round event was a great success among our budding engineers. The five rounds were - Cyber Crossword, Treasure Hunt, MCQ Round, Quiz Buzzer Round, Coding Round. The event was designed to test and showcase the participant's knowledge, skills, and creativity in the realm of technology.

ACM Student Chapter

Mr. Ayush Bhange

ACM Chairperson

Chairperson's Message

"As the chairperson of the SIT ACM Student Chapter, I am honoured to extend a warm welcome to all our members and readers of this magazine. At the SIT ACM Student Chapter, our vision is to build a community of passionate learners and innovators. We strive to provide opportunities that empower future leaders in computing to excel in their careers and make meaningful contributions to society. Through various events, workshops, and initiatives, we aim to inspire our members to push the boundaries of what is possible and to pursue their dreams with determination and enthusiasm."

Mission

Our mission is to empower students and promote collaboration and networking among faculty, students and industry professionals. We strive to provide seminars, lectures, learning forums and networking opportunities.

Vision

We aim to foster a community of passionate learners and innovators and empowering future leaders in computing. We also aim at providing opportunities to students for networking, learning together and sharing their knowledge.

Events

Code Clash

Held on 7th March, 2024, this competition had three rounds, first being the pattern printing round where participants had to write code to print certain patterns, second round was debugging and error finding round, third was the coding showdown where participants wrote code to complete the whole task and win the competition.

Byte Battle

Held on 28th October, 2023, this competition helped our participants to showcase their technical knowledge. The competition challenged their knowledge and skills and portrayed their expertise in solving a problem statement.

Annual Fests

Enthusia
3.0

Enthusia 3.0 – Day 1

Opening Ceremony

The most exciting and much awaited event of SIT- Nagpur, our very own fest - ENTHUSIA - was held on 21st and 22nd of March, 2024. This two day event is the highlight of the whole academic year and our students are always excited to work for and in their annual fest. This was the third year in row when ENTHUSIA was held. Enthusia 3.0, like the previous two, was a two day event. Day one was the technical day with technical competitions and workshops. Day two was the cultural day where our talented student body showcased their talents in dance, drama and music.

Day one of Enthusia 3.0 was the most exciting and the most engaging technical day for our tech enthusiasts. This day is an annual extravaganza that brings together the minds of young innovators, tech enthusiasts, and future engineers. It's a platform where students showcase their technical prowess and explore the latest trends.

Enthusia 3.0 – Day 1

CodeHunt 2.0

CodeHunt 2.0 was a GDSC led event comprising of treasure hunt as well as competitive coding. The participants had a thrill searching for problem statements in the form of clues all around in the campus. Once after obtaining their problem statements, the participants competed in a coding clash. This event was perfect for coding enthusiasts.

CodeCombat

Code Combat was a competitive coding competition where participants competed in teams of three. This was a thrilling experience for our participants who were both challenged and amused by their problem statements.

Enthusia 3.0 – Day 1

SymbiTank

SymbiTank was an equally thrilling event for our students who are both tech as well as business enthusiasts. It provided students with an opportunity to pitch their business ideas to a panel of investors which were the members of our own E-cell at SIT-N. The problem statements were given out beforehand and our participants were required to create and pitch their products in front of the "investors".The event fostered an entrepreneurial mindset, encouraging students to think creatively and develop innovative business concepts.

Movie Night

The evening of the first day of the annual fest witnessed the most fun event - Movie Night. The central garden was chosen to put up the movie and our students and faculty members enjoyed "Student of the Year" under the stars. There were also a lot of stalls put up for food and beverages. The combination of snacks and movie left us all happy and contended with day - one.

Enthusia 3.0 – Day 2

Director's Speech

The day two of Enthusia 3.0 was super thrilling for our students. This was the much awaited Cultural Day. The students were ready to showcase all the handwork they have had put in since the last month. The event started with the address from the respected Director Sir, followed by the respected Campus Admin Sir and other esteemed guests and faculty members.

Full Day Show

One after the other the performances began. The stage saw a blend of performances in dance, drama and music. There was a plethora of talented performers taking up the stage one after the other. The crowd cheered all the way through the function. The atmosphere seemed magical and the energy was thrilling.

Enthusia 3.0 – Day 2

Surprise Performance

To add to the magic of the fest, there was a surprise performance by the branding club members and our all time favourite professor Monali Gulhane Ma'am. This was the least expected and it got all our audience at the edge of their seats.

Singing

We also saw a great showcase of talent in music. All our musical performances saw great singers and musicians. All our students behind musical instruments were amazing as well as all our singers were fantastic. The air was filled with melody when our boys and girls took upon the stage.

Enthusia 3.0 – Day 2

Fashion Show

The last event in this program was fashion show. Our boys and girls transformed the stage into ramp and modelled around with confidence and charm. The fashion show was on the theme of VOGUE magazines. Every individual had a different character depicting a different story from their outfit. There was a questionnaire round where the jury was our faculty members and esteemed guests. After this, by the combined scores from the modelling, walk and questionnaire rounds, Ms. Riya Verma was chosen as Miss SIT and Mr. Prathamesh Yadav was chosen as Mr. SIT for this annual fest. This marked the end of the cultural program for day two.

Enthusia 3.0 – Night 2

Celebrity Night

The last gem of the annual fest - ENTHUSIA 3.0 - was the concert. The SIT stage saw great artist like Yugeen Sharma and the very talented band RAAHA take over the stage. After this, we had the star performance of the night - concert by Iqlipse Nova. The crowd cheers were so loud that they could be heard from afar. The concert was a big success with everyone reciting every line of every song all while grooving, dancing, smiling. The euphoria was real.

Sports Spectra

Sports Spectra – Beginning

Director's Speech

The energetic buzz of anticipation filled the Department of Sports, Recreation and Wellness (DSRW) on 16th and 17th February, 2024 as the Symbiosis Institute of Technology, Nagpur (SIT-N) organised the very exciting two day sports event - Sports Spectra - under the direct wing of the college sports club, council and management.

Opening Ceremony

The event began with a warm opening ceremony getting everyone's spirits high, making the aura and atmosphere around energetic and sporty. Everyone got a brief about the schedule for the day and the teams were given time to strategise for their matches. All the sports were being played simultaneously on their respective courts and grounds.

Sports
Spectra – Matches

Cricket

Talking of the cricket matches, it was very entertaining for the audience and fun for our players. The match between the faulty members gained a good amount of cheer as the students loved seeing their favourite professors compete on the ground. The students on the cricket ground were competitive as well as they kept the sportsmanship high. The ultimate winner for the cricket match were - Atharva, Aditya Raghatate, Anshul Kumbhare, Shivansh, Tanishq Ghodpege, Jayesh Likhave, Atharva Veragate, Priyanshu Bhause, Aary Mardikar, Jivesh Chawla, Sunidhi, Sakshi and Tanay Kothari.

Futsal

Talking about the Futsal matches, the court saw very intense competition growing by every moment. The students cheered for their teams and friends playing on the court. The ultimate winners of the girls team were- Sanika Jumde, Mahek Mehadia, Tanya Singh, Astha Shukla, Jignayasa Lunkad, Shreyali Dongre. The winners of the boys' team were - Anshul Bhusari, Sujal junghare, Aryan Raut, Anmol Chourasia, Nikhil Halambi and Ashish Choudhary.

Sports Spectra – Matches

Basketball and Volleyball

The first halves for both the basketball and volleyball matches were dominated by one of the teams. Though the second half was still exciting as the other teams made comebacks and the matches grew intense. The audience cheered and gasped with every throw, dunk and pass. The ultimate winners for basketball were - Tanay yaduka, Saharsh Vaidya, Dev Siwal, Ansh Parate, Shantanu, Karan deshmukh, Mrudang Wanjari, Abhishek Wekhande. The volleyball winners were - Sumit Masirkar, Aaradhya Bali, Yukti Madan, Aditi Gaikwad, Kalyani Borkar, Vansh Akarte.

Badminton

The badminton court had no lesser thrills and fun involved. It was a delight to watch the boys and girls smashing shuttles around while keeping the spirit of sports high. It was a riveting experience for all the spectators present on the court. We had both women's singles and men's singles simultaneously on the adjacent courts. The ultimate winners were - Arya Jawanjal, Vismayaa Rajan, Jay Chafle and Ved Bisne.

Editors' Notes

Ms. Shambhavii V. Jaiswal
Editor

Welcome to the 2023-24 edition of SRC magazine of SIT-N. I, Shambhavii V. Jaiswal, the editor for this issue, am thrilled to present to you this diverse array of articles and reports which reflect the Student Representative Council of SIT Nagpur.

I strongly encourage you to immerse yourself in each page presented here and perhaps you may discover something for you along the way. Whether you find resonance in a familiar theme or discover something entirely new, I hope this magazine serves as a catalyst for conversations, connections and deeper understanding of one self.

To the readers, thank you for navigating through the pages and taking efforts to reach until these last few pages. Your interest fuels my drive to deliver content that resonates with you. I hope you enjoy reading this magazine as much as I did putting it together. Here's to celebrating the spirit of SRC of SIT-N through the pages of this magazine.

Mr. Aniruddha Kale
Editor

As an editor for this issue of SRC Magazine of SIT Nagpur, I pen down this note for all our beloved readers and especially my juniors. I'm Aniruddha Kale, the co-editor for this issue. The purpose of this magazine is to showcase the amazing projects, occasions, and accomplishments that our Student Representative Council (SRC) has made during the previous academic year.

Our SRC has done a great job of improving the student experience by planning fun events, speaking up for the needs of fellow students, and creating a lively community. Our student body's spirit as a whole and their commitment are demonstrated in this issue. The stories in these pages should inspire you, and we hope you enjoy reading about the milestones we've attained. To progress, unity, and success in the upcoming year!

Photographers' Notes

Mr. Raghav Uparkar
Lead Photographer

Welcome to another semester, and for all the new faces out there, welcome to the world of college through the lens!

Photography is a tool for communication, a way of seeing the world differently. A photo can be used to raise awareness about important issues, promote social change, or simply connect with others on a deeper level also can encourage us to slow down, pay attention to detail, and appreciate the beauty that surrounds us.

No wonder, our campus is a living canvas, more than just classrooms and dorms; it's a visual feast waiting to be captured. Capture the spirit of learning in bustling classrooms, the beauty of hidden gardens, or the energy of sporting events. The possibilities are endless.

See your campus through a new lens, learn valuable skills, and contribute to the visual narrative of our college.

See you behind the lens soon,
Raghav Uparkar

Mr. Ambar, Mr. Ankush
Cameramen

Since we are too lazy to write two separate paragraphs, here's just one, it saves both of us time, to read and write.
I'm Ambar, and I am Ankush, **and we have been taking photos at SIT and other SIU events for the past two years.**
Over this time, we have had the opportunity to speak and take photographs of amazing people and things. **Like the time we took photos of the CEO of Geeks for Geeks,** or the time we took concert photos of Iqlipse Nova, **or our esteemed director.**
It has also been an honor to work on this magazine with the rest of the team. **So, we both ask you all to flip the pages back and take a closer look at the photos,** because it took us 3 days to take them! **It's great to have a vibrant campus to take pictures of,** and we both hope y'all can join us in the next semester to take pictures of it with us.

We will see you in our Google Drive soon!
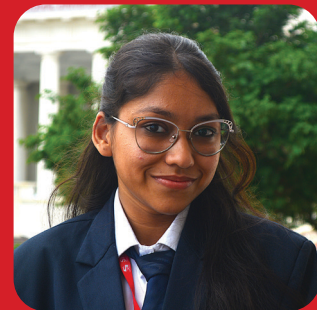

Bye!

Designers' Notes

Mr. Anvesh Khode
Designer

I undertook the grueling task of designing the annual magazine for the College's Students' Representative Council, leading a dedicated team of five individuals. This marked my experience in overseeing every phase of a magazine's creation, from initial ideation through to the final print. The challenge surpassed any previous team-oriented design project I have had encountered. Balancing creative vision with practical execution, we meticulously coordinated content, layout, and visual aesthetics to meet demanding deadlines. This experience significantly advanced my design proficiency and project management skills, fostering a deeper appreciation for collaborative effort and attention to detail. Our collective commitment culminated in a magazine that not only met but surpassed the expectations of the Students' Representative Council and the broader college community.

Mr. Aaditya Bhure
Designer

Hello readers! My name is Aaditya, one of the designer of this magazine. This magazine highlights all things our SRC has done and as a designer I have created the layout to give you all the information and pictures. Have a good time reading it and have fun. Welcome to the college!

Ms. Maitri Jain
Designer

Hi! I am Maitri, the designer of this magazine. This magazine holds a very special place in my heart as I have put in a lot of efforts in curating it. From the cover page to the selection of the theme, the whole process has been extremely delightful. I hope you enjoy going through this magazine as much as I did designing it. Thank you!
