

EXAMINATION CELL

Examination: The examination is the entire process of assessment carried out at the Constituent and University level which includes both continuous and term- end assessment.

Examination Session: Examination session means the time slot assigned for a particular examination. Generally, there shall be two sessions per day; however additional sessions may be conducted with prior permission, including on Sunday or holiday if necessary.

Examination Season: Each academic year is divided into two examination seasons. Generally, one will be called as ODD season and the other will be EVEN season. All examinations held between September to December will be counted as held in ODD season. All examinations held between Examination Rules January to June will be counted as held in EVEN season. Unless change occurs due to unforeseen circumstances.

OVERVIEW OF EXAMINATION PROCESSES

Continuous assessment is carried out at the constituent/ department level by the respective faculty of the particular course.
